

# Welcome to Bujaleuf

On the heart of « Pays Monts et Barrages en Limousin» (known for its art and its history) on the edge the Limousine mountain, Bujaleuf is a green holiday resort located 35 km to the east of Limoges, capital of the region.

It is attached to Eymoutiers, Vassivière region and the natural Park of "Millevaches". Its territory is located in between the low plateaux and the Limousine mountain.

Gorgeous and protected, this natural setting is appreciated by nature lovers. It offers hiking and various sporting activities such as mountain biking, canoeing on the lakes in the Maulde valley. Country of forests, water and valleys (of the Vienne and the Maulde), it is a true paradise for trout, pike and carp fishing.

The traditional rural villages have a rich heritage based on mixed farming in the past. Today the excellent quality of the "Limousine Breed" allows farmers to produce excellent meat known all over the world.

Administrative services, various shops, craft industry are available for the 900 inhabitants and of course for all the visitors and tourists. Weekly a pleasant local market is set on the town hall square, and monthly a typical fair is organised. All the year round, various activities are organised especially the fun fair in the beginning of June.

Bujaleuf offers too a camping site, several rural gites and a hotel. Bujaleuf is a welcoming tourist destination.
